Instructions:

Print this pdf control image at 100% size on a letter (8.5" by 11") sheet.

The dashed line area above should print 3.75" wide by 2.5" tall. That size fits inside your tag holder (if you are using a tag holder). If you're not using a tag holder. Put it in a plastic bag or laminate it. Only the dashed line image area and information **MUST** be clearly shown on all pics submitted and information **MUST BE LEGIBLE.**

There are 2 areas where you must hand write information:

- 1. YOUR NAME.** So we know who to credit for the massive catch.
- 2. YOUR TEAM NUMBER.** Your team number will be next to your name on the event page.

NOTE! All pics submitted **MUST** adhere to the rules. Rules are on the MNKFA website under "Events" menu, drop down link to "Fish Measurement Requirements". Getting a pic can be difficult. You can get help from someone you're fishing with. Bottom line, **IF YOUR PIC DOES NOT ADHERE TO ALL THE REQUIREMENTS IT MAY BE DISQUALIFIED!** This makes it fair for everyone. The ruling of the tournament director is final.
