Instructions:

Print this pdf control image at 100% size on a letter (8.5" by 11") sheet.

The dotted line area above should print 3.75" wide by 2.5" tall. That size fits inside your tag holder (if you are using a tag holder). If you're not using a tag holder. Put it in a plastic bag or laminate it. Only the dotted line image area and information **MUST** be clearly shown on all pics submitted and information **MUST BE LEGIBLE.**

There are 2 areas where you must hand write information:
1. YOUR NAME. So we know who gets credit for the massive catch.
2. CODE. The code will be sent out the night before each new month. (emailed, facebook, and TourneyX) YOU MUST HAVE THIS CODE FOR PICTURES TO BE ACCEPTABLE! Every month the code changes. The card will stay the same. Feel free to print multiple cards and keep it in different locations so you always have one.

NOTE! All pics submitted **MUST** adhere to the rules. Rules are on the MNKFA website under "Events" menu, drop down link to "Fish Measurement Requirements". Getting a pic can be difficult. You can get help from someone you're fishing with. Bottom line, **IF YOUR PIC DOES NOT ADHERE TO ALL THE REQUIREMENTS IT MAY BE DISQUALIFIED!** This makes it fair for everyone. The ruling of the tournament director is final.
