Instructions:

Print this pdf control image at 100% size on a letter (8.5" by 11") sheet.

The dashed line area above should print 3.75" wide by 2.5" tall. That size fits inside your tag holder (if you are using a tag holder). If you're not using a tag holder, put it in a plastic bag or laminate it. Only the dashed line image area and information **MUST** be clearly shown on all pics submitted and information **MUST BE LEGIBLE.**

There is one area where you must hand write information:

1. ADD TOURNAMENT CODE. We will post the code in the Facebook group, on the MNKFA tournament page and send via email on Friday, August 4, 2023 at 8:00 pm. Print out this identifier and have it ready to hand write in the code prior to fishing.

NOTE! All pics submitted **MUST** adhere to the rules. Rules are on the MNKFA website under "Events" menu, drop down link to "Fish Measurement Requirements". Getting a pic can be difficult. You can get help from someone you're fishing with. Bottom line, **IF YOUR PIC DOES NOT ADHERE TO ALL THE REQUIREMENTS IT MAY BE DISQAULIFIED!** This makes it fair for everyone. The ruling of the tournament director is final.

Any pics submitted with a time stamp outside of allowed fishing times will disqualify the person who submitted the pic from the tournament with no refund.

Post your entry pics to the Tourney X page. GOOD LUCK!
