

Instructions:

Print this pdf control image at 100% size on a letter (8.5" by 11") sheet.

The dashed line area above should print 3.75" wide by 2.5" tall. That size fits inside your tag holder (if you are using a tag holder). If you're not using a tag holder, put it in a plastic bag or laminate it. Only the dashed line image area and information **MUST** be clearly shown on all pics submitted and information **MUST BE LEGIBLE.**

*****NO TOURNAMENT CODE NEEDED. THIS IS THE FULL IDENTIFIER!*****

NOTE! All pics submitted **MUST** adhere to the rules. Rules are on the MNKFA website under "Events" menu, drop down link to "Fish Measurement Requirements". Getting a pic can be difficult. Bottom line, **IF YOUR PIC DOES NOT ADHERE TO ALL THE REQUIREMENTS IT MAY BE DISQUALIFIED!** This makes it fair for everyone. The ruling of the tournament director is final.

Any pics submitted with a time stamp outside of allowed fishing times will disqualify the person who submitted the pic from the tournament with no refund.

Submit your entry pics to the MNKFA form processor via the QR code above. You can also find a link to the pic submission form processor on the event page on the MNKFA website page. GOOD LUCK!
